

# Notice of Relief Road closure, Chipping Warden

August 2021 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance.

Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review. We have postponed all face-to-face engagement events and meetings and have put in place a number of channels to communicate with communities, such as letters and phone calls, as well as updates and alerts from each of the local community websites. You can sign up for regular updates in your local area at [www.hs2.org.uk/in-your-area](http://www.hs2.org.uk/in-your-area)

## What are we doing?

Further to the relief road works in Chipping Warden, we have identified issues with the drainage kerbs on the roundabout to the north of the village. In order to carry out these repair works we need to close the Chipping Warden Relief Road. To minimise disruption, we will carry out these works over four consecutive weekends and in two phases with traffic diverted through the village.

### Phase 1

To replace the kerb drainage on the western side of the roundabout

### Phase 2

To replace the kerb drainage on the eastern side of the roundabout

To complete both phases of the works we will be closing the new bypass north of the new Apple Tree Lane turning and we will need to install temporary traffic lights on the A361 into / out of Chipping Warden this will include highway verge signage on the approach to the works.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**
