

Notice of highway works, Chipping Warden

June 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. Further to the Covid-19 restrictions being relaxed we are now beginning to plan for future face-to-face engagement events and meetings. Whilst we continue to move forward, we will continue to communicate with communities via letters, online meetings and phone calls. You can sign up for regular updates in your local area at www.hs2.org.uk/in-your-area

What are we doing?

Ahead of the main work construction of HS2 we need to create two bell mouth highway entrances, on the A361 and Byfield Road. The bell mouths will be constructed with a sealed surface entrance which will lead from the highway into the adjacent fields. To undertake these works safely, we will need to install two-way temporary traffic light controls at these locations.

We will additionally need to make repairs to the chevron signs on the A361 Chipping Warden Relief Road roundabout and install two vehicle activated signs, advising motorists of their speed on A361 Banbury Road.

Byfield Road

The bell mouth works will commence on **22 July until 24 August 2022 (subject to local authority consents)**

The two-way temporary traffic lights on Byfield Road will be operational off-peak hours during school term time, Monday to Friday from 09.30am to 3pm.

The two-way temporary lights, out of school term time will be operational Monday to Friday 8am to 5pm.

Please see enclosed map for location.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
